## SPOTLIGHT! JAMES MAY

James is 4 years old and the oldest of 3. Some of his favorite things are the color blue, apple sauce, the vampire ground finch who lives on a volcano and looking for bugs in the dirt everyday. He also loves to listen to music that features "thunder" in it! i.e. Thunderstruck by ACDC and Thunder by Imagine Dragons. He also loves sitting with Mom or Dad and reading books. He's a sweet boy who loves to learn!
